

Informational Meeting

Scheduled by

Village of Tolono

For

Storm Water Drainage Planning

Date: Tuesday, March 10, 2009

Time: 6:30 PM – 8:00 PM

**Location: Masonic Lodge
102 E Main
Tolono, IL 61880**

The Village of Tolono will hold an Informational Meeting concerning storm water drainage planning for the Village. All persons interested in this project are invited to attend this meeting. The meeting room is accessible to persons with a disability.

The meeting will be conducted on an informal basis. A brief presentation on the need for the plan will begin at 6:30 pm. Representatives from the Village of Tolono and Foth Infrastructure & Environment, LLC will be available after the presentation to discuss specific project request. A key component of this plan is the compilation and prioritization of existing storm water problem areas. For this reason, all citizens who are aware of areas in which perennial flooding occurs are asked to attend and make an effort to ensure those areas are included in the plan. *Citizens are welcome to bring photos as evidence of past flooding problems.* Verbatim comments will not be recorded.
